Hall Membership

Many have already signed up for Membership of the Hall. This is free to all residents of either Stourton, Cherington or Sutton aged 18 and over. Members will receive updates on matters affecting the Hall and will receive priority for tickets for community events. More particularly this is an indication of support for the work that the Trustees of the Hall undertake. Members provide a level of oversight, being entitled to vote at an AGM on the appointment of Trustees. Applications for membership can be made here: https://thehallevents.org.uk/social-membership/

Aspirational Plan

Plans for the development of the Playing Field and Hall field into a single community facility have been agreed following two open village consultations. Work has started as can be seen from the restoration of the front boundary fence and hedge to the Playing Field. A planning consent has been secured for an area of additional car parking on the upper level behind the Hall and work is ongoing on developing a costed schedule of works, for which further fund raising is anticipated. Work on the division fence and hedge is anticipated through the winter and spring. More information here: https://thehallevents.org.uk/about/aspirational-plan/

One of the advantages of this initiative is that the site becomes suitable for hosting the Cherington and Stourton Show which took place, as it does regularly, on the first Saturday in August. For the many that attended I am sure will agree that it was a great success.

AGM

The Annual General Meeting is to be held in the Hall Cart Shed at 7:00pm on the evening of Wednesday 27th November. Members are welcome to attend with a free drink available. Trustees are subject to a 3-year rotational cycle before they become eligible for re-election. If there are any who would be interested in joining the committee as a Trustee, or as a volunteer in some capacity please make yourself known.

Farmers Market

The famous Farmers Market at the Hall continues every first Thursday 6:00pm – 8:00pm with lots of stalls of produce and goods, a pay bar and hot food.

Coffee and Breakfast

The Hall Coffee Shop is open for business every second Saturday from 10:30am until 12:00 noon. Next one is on 9th November - coffees, bacon baps, cakes, raffle & crafts!

Party and Business Use

The Hall has proved to be a fantastic venue for parties, whether for Children, for birthdays, or for other celebrations. The ability to hire the Hall for weddings can provide a lower cost alternative to other wedding venues without sacrificing quality. The Hall has great space for business meetings during the day, with WiFi and facilities for coffee and catering available. Parish residents benefit from concessionary personal hire rates. Contact info@thehallevents.org.uk for information.
